Clamor Magazine, the self-described "quarterly print magazine and online community of radical thought, art, and action," has published a glowing review of Prolefeed Studios's *War is Sell* in their Summer '06 issue. Clamor's Kandice Ardiel calls *War is Sell* "...so necessary..." and "...a fascinating overview of propaganda through the 20th century."

Pick up a copy of Clamor at your local alternative newsstand, or read the review online at:
