For those of you who may have missed it, the October 14th edition of "Isthmus," Madison's arts and culture weekly, featured a full-page article on the recent DVD release of "Pedalphiles." Long-time "Isthmus" commentator David Medaris wrote the piece for the "Recreation" column and includes an interview with filmmaker Brian Standing. Thanks, David, for a thoughtful and positive article.

David Medaris' article is now available, in its entirety, online at:
